161 Endeavour Drive, Banksia Beach

Thoughtfully designed, extensively established and stylishly updated inside and out, this deceptively spacious residence is absolutely awash with lifestyle appeal.

This residence showcases a refined single-level family floorplan delivering wonderful zoned living complemented by generous outdoor entertaining.

Gracefully poised amongst delightful manicured gardens with mature trees, the three bedroom + study/4th bedroom, two bathroom home features a memorable street presence in keeping with its glorious facade.

- Master-suite features a large walk-in robe, en-suite with quality finishes....
